The Asthma team and
The Child and Adolescent Mental Health Team (South Edinburgh)

Attached- Sponsorship form if desired/required

Looking to have fun and help deserving causes!

Our Annual Charity Event will help you achieve both goals!

Please come along and join us on Saturday the 12th August 2017 at Gogarburn Golf Club to raise funds for deserving Charities.

Previous charities we have helped include:-

Barnardos, The Sick Kids Friends Foundation, The Child Brain Injury Trust, The Children's Hospice Association, Radio Lollipop (Royal Hospital for Sick Children- Edinburgh) A+E- Royal Hospital for Sick Children (Edinburgh) and many other children's wards in Birmingham and Edinburgh.

What it is all about?

My name is Chris Yeaman. I had a sledging accident on Boxing Day when I was seven. I was out sledging with friends when I hit a fence which caused damage to my liver. I was in and out of hospital for four years until I was 11, at which point I was told I would need a liver transplant. Since then I have had to have another one due to unforeseen problems. During those two life saving operations a lot of people have helped me along the way. This tournament is my chance to give back to them for everything they gave to me.

The Christopher Yeaman Junior Annual Charity Trophy has raised lots of money for the hospitals and organisations that helped me and my family during my time in hospital and also other worthy charities. The event is a fun day for all involved and helps great causes at the same time.

Any forms of sponsorship are always greatly appreciated, whether it is cash donations or even some raffle prizes. Over the last two years sponsorship has declined rapidly which although understandable, still is greatly needed to help these worthy causes.

You can request an entry form for the event should you wish to enter a team. Please give some consideration to this tournament as I believe these causes deserve your attention.

Thank you,

Chris Yeaman Jnr.

THE FORMAT IS TEXAS SCRAMBLE FOR TEAMS OF FOUR WITH AN EXCITING MIX OF INDIVIDUAL AND TEAM PRIZES ON EACH HOLE

- 🏌️ All players can tee off at each hole.
- 🏌️ The nominated team captain then selects the best drive and marks the position (within 6 inches) with a tee peg (not nearer the hole)
- 🏌️ The other players then retrieve their balls.
- 🏌️ The player whose ball has been chosen then plays his next shot first.
- 🏌️ The remaining players then play within six inches of the tee peg (not nearer the hole).
- 🏌️ The above method of play is followed until the green is reached.
- 🏌️ On the green the same method applies. The ball chosen is marked by a putter head length and players putt from the same spot in turn.
- 🏌️ Each player must mark the ball after putting. Play continues from each chosen position until the ball is holed.

In the past funds have been raised to help provide ongoing care for families with children suffering life-shortening conditions, family / sibling support for children with brain injuries, neurosurgery equipment, clowns and magic sessions for sick children and toys for play rooms on children's wards.

The Sick Kids Friends Foundation said: "I would ask you to pass on our gratitude to the very generous sponsors and participants. It is such an enjoyable event and really does so much to help the Sick Kids get better."

The Children's Hospice Association Scotland wrote: "Please thank everyone who took part in the tournament..... our service wouldn't be possible without kind donations such as yours- thank you!"

The Edward's Trust told us: "We were thrilled to receive your lovely letter and tremendous gift.... The size of gift is very significant to us and makes all the difference to enabling us to continue to help families during their time of great need."

With your help, we're helping others.
